INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
United Way of Alamance County, Inc.
Burlington, North Carolina

We have audited the accompanying financial statements of United Way of Alamance County, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2024, and the related statements of activities, functional expenses and cash flows for the year then ended and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of United Way of Alamance County, Inc. as of June 30, 2023, and the changes in its net assets and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of United Way of Alamance County, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about United Way of Alamance County, Inc.'s ability to continue as a going concern within one year after the date of the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing and audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of United Way of Alamance County, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about United Way of Alamance County, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedule of Allocations and Designations is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Report on Summarized Comparative Information

We have previously audited the United Way of Alamance County, Inc.'s June 30, 2023 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated October 24, 2023. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2023, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Notes to Financial Statements

June 30, 2024

NOTE A: Organization and Purpose:

The mission of the United Way of Alamance County is to radically decrease the number of people living in poverty by advancing social equity practices that promote social mobility and provide opportunities that build a resilient community. We envision a community that comes together to break down barriers, eliminate inequities, and end poverty.

NOTE B: Summary of Significant Accounting Policies:**1) Basis of Presentation:**

The financial statements of the Organization have been prepared on the accrual basis of accounting. The accrual basis of accounting recognizes revenues in the accounting period in which the revenues are earned regardless of when cash is received and recognizes expenses in the accounting period in which expenses are incurred regardless of when cash is disbursed.

2) Financial Statement Presentation:

The Organization reports information regarding its financial position and activities according to two classes of net assets as follows:

Net Assets without Donor Restrictions – Net assets that are not subject to donor-imposed restrictions and are available for use in the Organization’s ongoing operations, including funds designated by the Board of Directors.

Net Assets with Donor Restrictions – Net assets subject to donor-imposed restrictions that either expire by passage of time, can be fulfilled and removed by action of the Organization pursuant to those restrictions, and/or upon receipt of funding or passage of date upon which funds were due. This category also includes net assets subject to donor-imposed restrictions that the principal be maintained permanently by the Organization and generally allow the use of investment earnings.

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Organization’s June 30, 2023 financial statements, from which the summarized information was derived.

UNITED WAY OF ALAMANCE COUNTY, INC.

Notes to Financial Statements

June 30, 2024

NOTE B: Summary of Significant Accounting Policies: (continued)

3) Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

4) Cash and Cash Equivalents:

For the purpose of cash flows, the Organization considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

5) Concentration of Credit Risk:

The Organization maintains its cash in bank deposit amounts at high credit quality financial institutions. The balances, at times, may exceed federally insured credit limits. As of June 30, 2024, no cash deposits exceeded the federally insured limit.

6) Contributions Receivable and Revenues:

Contributions receivables are promises to give from various donors that are considered unconditional that consist of pledges made during the annual giving campaign and are presented net of an allowance of uncollectible accounts. Unconditional promises to give are expected to be collected within one year and recorded at their net realizable value. An allowance is recorded for each campaign year based on management's evaluation of outstanding pledges. Management considers current economic factors, historical trends, and history with specific donors. Actual results could vary from the estimate.

Unconditional contributions are recognized as revenue in the year the commitment or payments is first received. Support that is restricted by the donor is reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in net assets with donor restrictions. When a restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are transferred to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

7) Donated Goods and Services:

It is the Organization's policy for donated marketable securities to be immediately sold upon receipt of the gift of the security. Donated marketable securities are recorded as contributions at the estimated fair values at the date of donation.

UNITED WAY OF ALAMANCE COUNTY, INC.

Notes to Financial Statements

June 30, 2024

NOTE B: Summary of Significant Accounting Policies: (continued)

7) Donated Goods and Services: (continued)

Donated goods received are reflected at their estimated fair value at the date of receipt. In-kind contributions include \$2,160 and \$34,095, respectively, for the donation of various items for events.

Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets, or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. The Organization receives a substantial amount of services donated by volunteers in carrying out the Organization's programs. No amounts are reflected in the financial statements for those services since they do not meet the criteria for recognition.

8) Donated Airtime:

United Way Worldwide (UWW) maintains relationships with the National Football League (NFL), the Ad Council, and other organizations on behalf of local United Ways. UWW underwrites the cost to produce Public Service Announcements that promote education, financial stability, and healthy living that features individuals who are involved in various local United Way community volunteer activities. The NFL, the Ad Council, and other organizations furnish the media space (television and radio airtime, newspaper and magazine print space, billboards, etc.) throughout the year at no cost to United Way. Management has elected to disclose an allocation of airtime based on a multiplication factor of annual dues. This factor is provided to local United Ways by UWW for application to the prior year's accounting. The allocated value of the donated media was estimated to be \$1,153 and \$3,201 for the years ended June 30, 2024 and 2023, respectively. The Organization has elected not to record the value of these relationships in the financial statements.

9) Donor Designations Payable:

Donor designations payable represents donor contributions directed to agencies and other United Ways accrued, but not yet paid, as of June 30, 2024 and 2023. The United Way reports donor designated contributions as agent transactions rather than as unconditional contributions in conformity with generally accepted accounting principles. Funds disbursed to nonprofit organizations are listed in the supplemental schedule of allocations and designations, broken down by amounts designated by the donor or allocated by the designated Organization.

NOTE B: Summary of Significant Accounting Policies: (continued)

10) Fair Value Measurements:

U.S. GAAP established a fair value hierarchy that prioritizes the inputs to valuation techniques to measure fair value. Fair value is defined as the exchange value that would be received on the measurement date to sell an asset or to value the amount paid to transfer a liability in the principal or most advantageous market available to the entity in an orderly transaction between market participants. The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access.

Level 2: Inputs to the methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the assets or liabilities;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full-term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

11) Property and Equipment:

The Organization capitalizes all expenditures for property and equipment in excess of \$1,000 and/or with a useful life of 5 years or more. Purchased property and equipment are carried at cost. Donated property and equipment are carried at fair value at the date of the donation. Maintenance, repairs, and minor renewals are expensed as incurred. Property retired or sold, and the related accumulated depreciation are removed from the accounts and gain or loss is taken into income.

UNITED WAY OF ALAMANCE COUNTY, INC.

Notes to Financial Statements

June 30, 2024

NOTE B: Summary of Significant Accounting Policies: (continued)

12) Income Taxes:

The United Way is a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for federal or state income taxes are included in the financial statements of the United Way. The United Way is also exempt from local property taxes.

United Way performs an annual assessment for any uncertainty in income tax positions which includes an analysis of whether there are any tax positions related to unrelated business income or other activities that may jeopardize their tax exempt status and thus meet the criteria of an uncertain tax position. No tax liability accrual has been recorded as of the years ended June 30, 2024 and 2023 relating to material uncertain positions taken, as Management believes there are none. Generally, the Internal Revenue Service may examine a tax return for three years from the date the return is filed. At June 30, 2024, the tax years ended June 30, 2023, 2022, and 2021 remain open for possible examination by the IRS.

13) Functional Expenses:

The costs of providing various programs and activities have been summarized on a functional basis in the statement of activities and in the statement of functional expenses. Certain costs have been allocated among the programs and supporting services benefited based on estimates of time and effort utilized.

NOTE C: Pledges Receivable:

Unconditional promises to give at June 30, 2024 and 2023, consist of the following:

	<u>2024</u>	<u>2023</u>
Receivables due in less than one year	\$ 223,362	\$ 330,928
Allowance for credit losses	<u>(60,928)</u>	<u>(47,555)</u>
Net unconditional promises to give	<u>\$ 162,434</u>	<u>\$ 283,373</u>

NOTE D: Property and Equipment:

Depreciation of furniture, fixtures, and equipment is computed using the straight-line method of depreciation for assets acquired in 1987 and before and MACRS for assets acquired in 1988 and thereafter. Purchased equipment is recorded at cost. Depreciation expense totaled \$22,349 and \$24,444 for the years ended June 30, 2024 and 2023, respectively.

UNITED WAY OF ALAMANCE COUNTY, INC.

Notes to Financial Statements

June 30, 2024

NOTE D: Property and Equipment: (continued)

Property and equipment consisted of the following as of June 30, 2024 and 2023:

	<u>2024</u>	<u>2023</u>
Furniture and fixtures	\$ 84,659	\$ 84,659

Less: Accumulated depreciation	<u>(182,767)</u>	<u>(160,419)</u>
Property and equipment, net	<u>\$ 425,003</u>	<u>\$ 444,077</u>

NOTE E: Funds Held by Others:

The Organization established accounts with the Alamance Community Foundation, formerly an affiliate of the Community Foundation of Greater Greensboro, in 2008 and 2009 for quasi-endowment purposes and designated itself as the beneficiary. Accordingly, the fair value of the funds is recorded as "Funds held by others" on the Statement of Financial Position. The fair value of the funds was \$272,484 and \$234,161 as of June 30, 2024 and 2023, respectively.

The fair value of the funds was confirmed by the Alamance Community Foundation based on units of the master investment pool applicable to the Organization's pro-rata portion and represented to be based on quoted active market prices; however, funds held by a community foundation under the arrangement described above are all considered to be within the Level 2 of the fair value hierarchy.

An annual distribution of earnings is to be calculated on the basis of a total return principle as the average fair market value of the fund established annually by the Board, based on the fair market value of the fund for the last day of each of the preceding twelve (12) calendar quarters. No distributions will be made in excess of a percentage equal to the trailing consumer price index as of the end of the immediately preceding calendar quarter plus five percent (5%), except as authorized below.

It is the intent of the Organization to preserve as much of the principle of the fund as possible, while maintaining the flexibility of the Organization to utilize the principle in an extraordinary situation in order to fulfill its mission. Principle is defined as the value of the funds in dollars obtained by contribution to the fund at the time it was made, and as such value is determined in good faith by the Finance Committee. In extraordinary circumstances,
