

SPROUTING GOOD FOR ALL

2025 Campaign

Sprouting good isn't just a phrase—it's what happens when we come together as a community to invest in one another.

At United Way of Alamance County, your gift helps plant the seeds of change that grow into stronger families, stable housing, financial security, and brighter futures.

Each contribution—no matter the size—creates ripple effects of good that reach across our county, ensuring that more of our neighbors have the support they need to thrive.

When you give, you're not just donating—you're cultivating hope, resilience, and opportunity.

Together, we can nurture programs that connect families to essential resources, empower nonprofits to do their best work, and open doors for those who need it most.

With your support, we can keep sprouting good for all—because when our community grows stronger, everyone benefits.
