### **INTRODUCTION**

The Alamance Partnership for Children (hereinafter referred to as the “Partnership”) has partnered with Impact Alamance to provide grants to create Outdoor Learning Environments (OLE) in child care centers and family child care homes in Alamance County. The Partnership is accepting applications to establish a one-time grant through application process. The purpose of this Request for Applications (RFA) is to create natural OLE’s at approved child care sites. Sites may also apply if funding is necessary to complete an outdoor learning environment that is under construction or partially completed. The grant award is dependent upon available funding and will include design plans, required training and online certificate course, and some materials/labor.

### **BACKGROUND**

The Partnership is a private, nonprofit agency (501 c 3) dedicated to the vision that all children arrive at formal education healthy, happy, and ready for success in school and life.

Natural outdoor learning spaces in early childhood education include diverse features designed to promote structured and unstructured physical activity, play, and learning. Features that should be included in the design of an OLE are as follows:

- Outdoor gross motor features (e.g., climbing features or looping pathways);
- Outdoor learning settings (e.g., gardening area, loose parts station, or dramatic play area).
- A variety of non-toxic plants that are native to North Carolina.
- Natural features that enrich children's play and learning (mounds, terraces, slopes; a variety of ground surfaces (mulch, grass, pebbles); smooth rocks, wood, or logs; non-poisonous flowering plants or garden plants and vegetables).
- A safe water play feature.

## **TIMELINE**

- August 15, 2022- Release date of RFA.
- August 26, 2022- Completed applications with a letter of intent due to the Partnership office by 5:00 p.m.
- August 29, 2022- OLE Grant Committee will review applications.
- September 6, 2022- Selected applicants will be announced.
- September 12, 2022 - Online certificate course begins

## **ELIGIBILITY:**

- Applicants must have a minimum 4 star rated license in an Alamance County child care center or family child care home that serves children receiving child care subsidy and be in good standing with the North Carolina Division of Child Development and Early Education.
- Sites must have outdoor space that can be fully committed to an OLE.
- Commitment to completing the online certificate course (paid by APC).
- Commitment to participate in two Professional Development trainings provided by Alamance Partnership for Children.
- Commitment to visiting Alamance Partnership for Children Outdoor Learning Environment.
- Although NC-PreK classrooms are not eligible to apply, sites that have NC Pre-K classrooms can apply to create an OLE for another age group.
- Applicants must demonstrate the ability to complete the project by Spring 2023.

## **THE APPLICATION PROCESS**

- Request for Application (RFA) is issued to prospective Applicants.
