Attn: Hiring Committee, RE: Victim Advocate

ORGANIZATION DESCRIPTION

CrossRoads was established in 1976 as a standalone sexual assault center serving adult victims of sexual violence. In 1994, we realized that child victims needed the same types of services as adult victims. CrossRoads formed a multi-disciplinary team that began research and development of a Children's Advocacy Center (CAC) and in 1996 our CAC was opened. In 2018, CrossRoads had the opportunity to merge with Alamance for Freedom, a well-known anti-human trafficking program. Today we serve victims of sexual violence, human trafficking, and child maltreatment.

CrossRoads started from an outcry in the community and we have continued to operate in such a manner. When individuals need services to find healing, CrossRoads willingly accepts the challenge to create and sustain new and necessary programs. Our greatest priority is our clients and the assurance that they are receiving the highest caliber service.
